BOX HILL CANDIDATES FORUM

Thurs, Oct 29th, 7.30pm

Join us and participating Box Hill candidates

We've asked each candidate to present their vision for the local area and environment, addressing the following:

- **Sustainability, climate resilience and urban greening**
- **Transitioning to renewable energy**
- **Enhancing public and active transport**
- **Enabling sustainable and affordable housing with supportive infrastructure**
- **Community engagement regarding these issues and solutions**

There will then be ample time to ask the candidates questions about any election issues.
